**Doggie Grand Tour
Mural**
--New York to Paris--

Club Pooche has asked Walker Pedersen Design to paint a 20 foot long mural of a fabulous tour depicting the dogs of Club Pooche having fun from New York to Paris. Our tour will offer accommodations for your pet ('s portrait) at a sidewalk Café, sight-seeing, taking a carriage ride, and strolling through Central Park.

For a fee of \$110 to \$150 your dog will be immortalized traveling in this cool work of art. And you'll take home a poster print of your four-legged friend as he or she appears in the mural. See page two for more details.
